

Closing Remarks

**CNI/ARL DIGITAL SCHOLARSHIP PLANNING
WORKSHOP
NORTHEASTERN UNIVERSITY 2019
JOAN K. LIPPINCOTT
COALITION FOR NETWORKED INFORMATION**

Challenges

- **Services/support/partnerships/collaborations**
- **Staffing**
 - Scaling up (numbers and skills)
 - Becoming a core program of the library
 - Career trajectories of digital scholarship staff
- **No one model**
 - Understanding local constituencies
 - Understanding local environment

Opportunities

- Supporting the institutional mission
- Deepening interactions with faculty and students
- Engaging students in learning while providing opportunities for skill development
- Demonstrating support for social justice
- “We’re not just building a project, we’re building relationships.” [student panel]

What about assessment?

- Achieving our goals
- What constitutes success
- How to measure success
- Communicating results of assessment
- Refining programs

What's next

- Your assessment of this workshop (link via email)
- Your suggestions for future CNI programs
